

Maralyn Bengert

Maralyn Bengert is the Manager of Accommodation Services in the Shared Service Provider providing accommodation, facility and car pool services for the Victorian Government. These services include the operational security for Victorian Government office accommodation.

The Shared Service Provider was formed in 2009 to improve productivity and efficiency in government corporate services.

Maralyn presented at the ASIAL Security Conference in 2006 on the security initiatives which had been implemented on Treasury Reserve as an integrated security access control system across multiple sites and hardware.
