

Are You a Registered Cabler with BRCA and Now Need a New Registrar to Meet Your Future Cabling Registration Needs?

LOOK NO FURTHER!

As of 21st March 2025, BRCA ceased operations and will no longer be accepting any cabler registrations or renewals. As a ACMA authorised registrar, ASIAL welcomes BRCA-registered cablers to register with us. Your current registration card remains valid until the expiry date, however if you are due for renewal talk to us by calling 1300 127 425.

Registration with ASIAL is easy!

- Go to www.asial.com.au
- Go to the Cabling tab
- Select Register with ASIAL from the dropdown menu
- Complete the online form
- Upload a copy of your current card front and back
- Pay the registration fee of \$99.00 incl. GST
- ASIAL will promptly process your application and send you a new registration card, certificate and access to our industry-first **Digital Cabling Registration Card** to download to your mobile phone.

As an ASIAL registered cabler you receive:

- **Certificate and Card**
A cabling registration certificate and registration card (plus access to your Digital Cabling Registration Card by downloading the free ASIAL GO app).
- **Support**
Access to experienced support staff via phone and email.
- **Industry News**
Access to an electronic copy of Security Insider magazine and a bi-monthly email newsletter.
- **Online**
Easy online registration/renewal.
- **Recognition**
Endorsement recognition.
- **ASIAL Website Listing**
Listing as a registered cabler on the ASIAL website.
